

The background of the advertisement features a plastic injection molding machine. A large, clear hopper filled with blue plastic granules is positioned on top of the machine. The machine itself is white and grey, with various mechanical components visible. The background is a blurred image of the machine and granules, with a red and white geometric pattern overlaying the left side.

# LUBRICANTS FOR PLASTIC INJECTION

**THE MOTULTECH SOLUTIONS FOR  
THE PLASTIC INJECTION INDUSTRY**

### MACHINE NOZZLES

- IRIX COPPER PASTE

### SLIDWAYS LUBRICATION

- IRIX EVO LX 200-2
- SUPRA SLIDE

### CENTRAL LUBRICATION SYSTEM

- IRIX EVO CSX series
- IRIX L 50-00
- IRIX LSM 1500 (grease)

### FOR MACHINES WITH A CLOSING UNIT DRIVEN BY AN ELECTRIC MOTOR POWERED BALL SCREW

- GEAR SY (synthetic EP gear oil)

### FLUIDS & MAINTENANCE FOR HYDRAULIC UNIT

- RUBRIC HM, HV, LX
- RUBRIC R-CLEAN & RUBRIC CLEAN HM
- HYDRAULIC FG

## A RANGE DEDICATED TO THE PLASTIC INJECTION INDUSTRY

In today's plastic production processes, high pressure and temperatures cause large stress on your machines and components but your installations are required to run reliably for a large number of production cycles.

MotulTech offers a wide range of products for the lubrication of injection moulding machines – from hydraulic and gear oils to high performance greases.

After applying these lubricants to your friction points there is less time to spent on maintenance leaving more for production.

### MOULD CLEANING

- SAFCO SPRAY MULTILUBE
- INTENSE CLEANER

### MOULD DEGREASING

- SAFCO SPRAY 21

### MOULD PROTECTION

- SAFCO SPRAY MULTILUBE (short-term protection)
- MT OIL PROTECT (mid-term)
- MT SHIP PROTECT (long- term protection)

# MOULD MANUFACTURING AND LUBRICATION

## MOULD COOLING - MOULD HEATING

- SUPRACAL

## GUIDERAILS

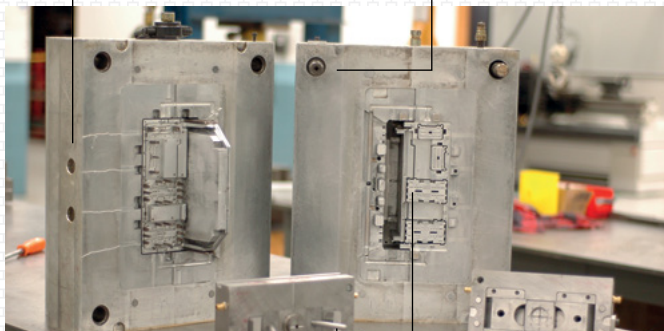

- IRIX EVO LX 200-2

## ELECTRIC DISCHARGE MACHINING (EDM)

- SUPRACUT EDM 03

## MACHINING NEAT OILS

- SUPRACUT SERIES
- SUPRACUT EVO SERIES
- SUPRACUT INO SERIES

## EJECTOR PINS

- IRIX INO TF 500-2
- EJECTOR LUBE

## DEMOULDING

- DEMOLD SPRAY

## MOULD MACHINES

- STABILIS series
- SAFKOOL series
- BIOCOOL series

## PEOPLE

Everywhere in the world, MotulTech professional teams of lubrication are servicing industrial customers.

## SERVICE

Advices, product monitoring, technical assistance for MotulTech customers.

## R&D

Innovation drives MotulTech. With laboratories in the main industrial areas of the world, MotulTech finds new solutions for tomorrow's industry.

## LOGISTIC

As an industrial supplier, MotulTech has to offer a perfect logistic to its customers. This is our commitment.

## QUALITY

The MotulTech commitment for quality is certified by **ISO 9001** and **ISO TS16949**. It allows MotulTech to guarantee Premium quality products all over the world.
